Myths and Legends of Dolwyddelan - Mural Project for Dolwyddelan Youth Club

Garth Thomas, Area Youth Work Practitioner for Conwy Youth Service, is currently applying for funding for a project for Dolwyddelan Youth Club. It is hoped that the funding will be secured in time for a summer holiday project for the youth club. The project is to design and create a mural of myths and legends of Dolwyddelan. Helen Hardy from Elen's Castle Hotel has been approached to assist the youth club with ideas for the mural. Although Helen has lots of ideas, if you would like to contribute any further ideas for consideration, please contact Helen directly before the end of June.
