

DOLWYDDELAN HISTORY

As a lucky newcomer to the village I've become fascinated with the history of the area, its stories and its wonderful friendly people. So, I'm appealing to anyone who has photographs or stories of old Dolwyddelan. Or maybe you have stories of the village and its people, that you would like to pass on to future village residents.

Would anyone be interested in starting an informal 'Village History' project with me?

I have already started a website www.lledrvalley.org where I publish photographs, stories and historic information of the whole Lledr Valley that I find, but the **most** interesting part of the valley is of course, Dolwyddelan itself!

If you do have something you would like to share, or would like to be involved in an informal Dolwyddelan history project, please get in touch (I live in Prince Llewelyn Terrace).

For those interested in Dolwyddelan's history, there are many fantastic files, records and photographs already in the Pavilion.
