

Dolwyddelan in Bloom are most grateful to Bob Borzello of Roman Bridge for financing the planters beneath the Dolwyddelan signs at either end of the village, with their construction being undertaken by Conwy County Borough Council's Learning Disability Centre, at Pinewood, Glan Conwy.

Shaun and Paul of Prince Llewelyn Terrace ensured that the planters provided a real talking point over the Easter weekend, with large Easter eggs welcoming people to the village.

Shaun and Paul, Jane Oakley and David and Peter Wright (all of Prince Llewelyn Terrace) have most generously agreed to sponsor the floral displays and upkeep of the Gateway planters. The planter at the Western entrance to the village being in memory of Leila Wright (a friend to many in the village), the Eastern one in memory of Shaun's son Oliver.

Thank you so much to everyone involved.
