Plas Penaeldroch Manor

Carrie and Mike write . . .

Since we last wrote, we have been busy transforming the old bar and beer cellar into our new licensed snack restaurant and commercial kitchen, and we hope that by the time you read this, all will be open. *If not, please bear with us, we will open as soon as we possibly can!*

We are delighted that Jane Carus will be joining us to cook. Initially, we will be selling snacks and drinks, soon building up to serving cooked breakfasts, sandwiches and hot lunches during the day, alongside Jane's delicious cakes – eat in or take away. We will be stocking many Welsh foods, drinks and beers. There is seating inside, or on the terrace overlooking the beautiful Lledr river and valley, with a glimpse of Moel Siabod on the horizon.

Full details of our opening hours and menu will be posted as soon as we open on www.penaeldroch.co.uk and on our Facebook page.

We will welcome and value all your comments.

Refurbishment work will pause during September whilst we get the restaurant fully up and running, and then restart in October focusing on the hotel suites which we plan to have ready before the end of Summer 2017. We also plan to finish the installation and landscaping of a labyrinth path over the winter.
