

## Dolwyddelan Women's Institute Green Hearts for Climate Change

On January 25<sup>th</sup> and February 14<sup>th</sup> 2018, Dolwyddelan WI will be supporting Gwynedd-Caernarfon WI Federation by showing green hearts around the village to raise awareness of **climate change**.

Look out for Green Hearts on **St Dwynwen's Day** and **St Valentine's Day**

*'Whether you make one, wear one or share one, each green heart is a moment of possibility - a chance to begin a conversation about the things we love that climate change threatens and the opportunities for a world powered by clean and secure energy. Surprising and beautiful, green hearts can move worlds'* – National Federation of Women's Institutes
