

Y Gwydyr Opens its Doors Again

Sarah and Peter, the new licencees of Y Gwydyr, would like to thank the residents of Dolwyddelan, and the many visitors who have paid a visit to **Y Gwydyr** since it reopened in June.

They would also like to thank the people of Dolwyddelan for making them, and their family welcome, they look forward to many years, and many good times here in the village.

At Y Gwydyr, Sarah and Peter emphasise a relaxed and joyous atmosphere, where anyone can enjoy a pint of usually Welsh draught ale or whatever they fancy. As well as the good ale served, there is the opportunity to enjoy beautifully home cooked food that has the personal attention of chef Peter. Their delicious Sunday lunches are especially popular, and booking is advised. As Sarah and Peter have a family of their own living at Y Gwydyr, they welcome families to come and enjoy time together, and maybe even a game of pool.
