

## Community Speed Watch Scheme

A recent **Facebook** posting has highlighted concerns over the speed that some vehicles travel through the village. As **Community Council** we have had extensive dialogue with **North Wales Police** and the **Highways Department** to try and alleviate the problem. There is a way, however, that we could help ourselves in reducing the number of cars travelling through the village at excessive speeds. At the Carnival last year we had a visit from John Morris from North Wales Police who gave us details of setting up our own **Community Speed Watch Scheme**, he took names but there were not enough people *then* to make the scheme viable.

A Community Speed Watch team at work in Gwent

With enough volunteers this scheme could still work – the Police supply all safety equipment, training and the initial loan of the speed camera. If we set up a successful scheme the Community Council will fund the purchase of our own equipment. To make this work we need sufficient volunteers and a coordinator, volunteers must be over 18 and the coordinator's role is vital to the running the group.

If you are prepared to be a volunteer, especially for the role of coordinator, please e-mail me your details to [m.skerrett@btinternet.com](mailto:m.skerrett@btinternet.com).

### To the good people of Dolwyddelan . . .

My mother, the late Joan Wass of Glan Dwr, spent the last 30 years of her life in Dolwyddelan after moving here in 1987. She has always been incredibly proud of the village and, perhaps more importantly, the people who live there, and I can fully understand why. My mother had tremendous support and help from you good people as her health deteriorated over recent years.

She might not always have understood or shown appreciation herself, but I thank you. Diolch yn fawr. Gerald, plus Helen & Angie xxx

## St. Gwyddelan's Church

### Macmillan Coffee Morning

Thursday, September 27th

10.00 am to 12 noon

Plas Penaeldroch

### Harvest Festival

September 30th

at 9.30 am

A joint service for local churches
