

## THE MONDAY CLUB (FORMERLY SION A SIÂN)

The club has only just restarted after two years due to Covid. We meet for a couple of hours at 2.00pm every fourth Monday of the month in The Pavilion on the school field. We gather informally for a chat and refreshments.

We also arrange occasionally to have a speaker, and during the year we have a day trip out. We also arrange a Christmas Lunch. Recently we hired a mini bus and went to Anglesey for the day, where we visited Tacla Taid Motor Museum, Anglesey Sea Salt, Holland Arms Nurseries and Pringles.

Anyone interested in joining us is more than welcome.

Our next meeting is on Monday 26th September and then Monday 24th October.

## PAVEMENT PARKING

I would like to request that people parking on pavements leave enough room for pushchairs/buggies, small children on bikes and pedestrians to be able to pass on the inside without having to step into or very close to the road. A little consideration could prevent an unnecessary accident!

The village pavements are literally a car park sometimes, especially in these light evenings when people want to have a short walk or stroll!
