## KEEPING UP THE GOOD WORK

A party of 15 children of Dolwyddelan Junior Youth Guild kept up their programme of visits to hospitals and old people's homes with a call on Thursday at Bryn Derwen Home Llanrwst, to present a concert for the residents.

On Friday, the youngsters organised a coffee evening at the Vicarage and made over £11 to pay for transport for their visits. On March 8<sup>th</sup> they are entertaining at Plas-y-llan old people's home Llanfairfechan and later in the month will be going to Llanfair T.H. at the invitation of the old people's club there.
