YOUTH CLUB ALLOTMENTS

Matt Mullender, the Youth Club leader, would like to promote that the raised beds in the allotment behind the Pavilion are for everyone to use. He is struggling to keep the area maintained as well as running the club. The area was restored for the young people as a project, but also for the local community to take hold of and work alongside the young people.

They had a session over the February Half Term, tidying the allotments and sorting them out ready for new planting in spring, along with some general maintenance.

If you are interested in being involved, please contact Matt on . . .
