

Dolwyddelan Open Gardens 2024

The St Gwyddelan's fundraising event was held on Saturday 27th July this year, with the sunshine and most people arriving a little later than the start time of 10am. With 16 entries and four new gardens to have a look around, including the community garden allotments at the pavilion to see, refreshments available, plants to purchase and poetry renditions to enjoy, there was something for everyone.

'A wonderful day, we really enjoyed it, thank you' (local resident)

It was lovely to see a number of gardens embracing 'gardening for biodiversity', with grass and flower meadows, sedum roofs and lots of fruit and vegetables growing.

If you are interested in opening your garden for people to look around next year, we have a provisional date of 7th June 2025, please do get in touch with Sue Layland at sue.layland@gmail.com

A huge thank you to everyone who took part and supported the open gardens this year, we look forward to seeing you again in 2025.
