HISTORICAL SOCIETY CALENDAR 2025

12 months of historic pictures of our valley.

£9 + £1 for an envelope if you wish to post.

All monies raised, above the cost of printing (£5.05 per calendar), will go towards buying a gravestone for Menso Reinders, an elderly Dutch refugee who died in June 1940, shortly after seeking refuge in Dolwyddelan. He left Warffum, Holland.

At present Menso has nothing marking the spot where he is buried in Bryn y Bedd Cemetery. We are also trying to trace his family, but so far, no descendants have been found. This tells its own story of the terrible times Holland suffered during WWII.
