

Eunice Cawley and Menter Siabod

As members of the Menter Siabod committee, we felt that it would be remiss of us not to pay special tribute to our friend Eunice.

Eunice has been at the heart of Menter Siabod since its early days. She had a passion for bringing people together, and her energy, enthusiasm and commitment gave us a weekly Friday meeting, first as a Table Top/Bric a Brac Sale, and later as the Friday Lunch Club. Through her efforts, thousands of pounds have been raised over the years towards Menter Siabod, the upkeep of the Pavilion and other charitable causes.

Thank you, Eunice. You will be sorely missed.

Nerys Valintine

‘Doli in Bloom’

Following a recent meeting, our chairperson Myfanwy Chapman stepped down, after several years supporting us. Thankfully she continues as a member, and we value her

knowledge of the village and surrounding area. Thank you from us all.

Myfanwy paid tribute to friend Eurwyn Roberts, who will be sadly missed by all our group (DiB) Myfanwy has known Eurwyn since childhood, they sat together at primary school. Eurwyn retired from Gwynedd council and went on to develop his garden nursery. He and his father were both keen gardeners. Eurwyn became known over north Wales for his Dahlias, producing wonderful blooms and exhibiting in local shows as well as the Royal Welsh show. He became involved in our own horticultural show, possibly in the 60s. He will be greatly missed, not only for his contribution to this show but to the whole community. May I add, he was also an excellent stone wall builder.

Rest in peace our friend.

Angie Burke
