## MONDAY CRAFT GROUP

**We meet every Monday, 10.00am till 1.00pm, in the Pavilion.**

Any craft is welcome, as long as it doesn't make a mess! (No welding.)

Our group is experienced in Crochet, knitting, tatting, quilting, weaving, tapestry, cross stitch etc. If it uses a needle, we've probably done it!

Are you thinking of starting a craft, but don't know where to start, we probably have someone whose done it and will be happy to advise.

Have you wanted to try quilting, but are afraid to start?

(We even have two men who come to the group regularly!)
